

## EVALUATION

What part(s) of the workshop were most valuable?

---

---

---

Will you be able to use the things you have learned here?

---

---

Did the workshops offer tools and resources to support your youth centre/initiative/group?

---

---

How would you improve the workshops?

- Provide better information before the workshops.  
 Reduce or  increase the content covered in the workshops.  
 Make workshop activities more stimulating?  
 More time  less time together as a whole group?

Other comments:

---

---

## LOOKING FORWARD

What topics would you like to pursue in the context of another workshop or time shared with other youth centres?

---

---

Is there a workshop segment you'd like to lead and share with others?

---

---

In what way(s) can TYPs help you the most?

Do you support the development of a national youth summer exchange program? \_\_\_\_\_ Are you willing to help develop this program? \_\_\_\_\_

Are you interested in contributing to a national newsletter or magazine, joining a national committee or Board of Directors, or providing leadership in other ways?

---

---

Please note any ideas you feel would move the national strategy forward:

---

---

---

---

Please identify what you feel is your most successful fundraiser?

---

---

Your most successful program?
